*Departure of Jean Fallacara from inTEST Corporation. The vision behind the North Sciences Brand and the life sciences business segment*

BOSTON, MA, USA, August 16, 2023 /EINPresswire.com/ -- [Cyborgmedia](#) LLC announces today

After 17 years of crafting monumental milestones, joining inTEST in 2021 was more than a mere decision; it was a heartfelt leap of faith, a testament to the unwavering trust in our shared potential."

*Jean Fallacara*

the departure of [Jean Fallacara](#) from [inTEST](#) Corporation. Jean, the man and vision behind the North Sciences Brand and the life sciences business segment, has been instrumental in the company's remarkable growth trajectory & partnerships.

Jean's dedication to inTEST Corporation was evident in the significant personal sacrifices he made for his role. He and his family made the deeply emotional decision to bid farewell to their life in Canada, letting go of their home, sanctuary, friends, and deep-seated ties. Reflecting on his move to Boston, Jean poignantly remarked, "Alone, I

ventured to Boston, leaving behind the warmth of familiarity and, most heart-wrenchingly, my family."

While Jean has chosen to keep the specifics of his decision private for now, he emphasizes the values of trust, fairness, and personal growth. He believes in the importance of embracing new challenges and always prioritizing family. After nearly two years of unwavering commitment, during which he was separated from his loved ones, Jean poured his heart and soul into realizing a grand vision with inTEST Corporation. His decision to step back from the corporate realm signifies not just the end of an era but also heralds the beginning of a new chapter in his life.

Jean's pioneering contributions to the advancement of Cloud Monitoring in the Cold Storage industry, through a partnership with Antylia will forever remain a testament to his dedication and innovation. His legacy at inTEST Corporation is indelible.
