

Morae's E-Discovery Expert Charles Ochse Selected as 2023 Relativity Innovation Awards Finalist for Inclusion

Thriving DEI Program Making a Positive Impact in the Legal Community

CHICAGO, ILLINOIS, UNITED STATES, August 17, 2023 /EINPresswire.com/ -- Morae Global Corporation ("Morae"), the global leader in digital and business solutions for a constantly changing legal industry, today announced that Charles Ochse has been recognized as an Inclusion Award finalist in the 2023 Relativity Fest Innovation Awards. Relativity's Innovation Awards program celebrates the change makers in tech who are making an impact by building custom solutions, empowering people and forging new paths to improve the legal industry and its communities.

Ochse is a passionate advocate for diversity, equity, and inclusion. As a Senior Director within Morae's global eDiscovery business, he leads discovery services for the EMEA market - overseeing the operational and strategic aspects while committed to cultivating an inclusive work environment. In his global leadership role for the LGBTQA+ ERG, Allyship, and Speaker Series programs, he regularly advocates for greater awareness and the creation of a safe and supportive work environment for not only LGBTQ individuals but for all people regardless of their backgrounds. Ochse aims to create an e-discovery space that encompasses a wide

“

Charles has touched the lives of so many people, both here at Morae and among our clients and partners across the eDiscovery community.”

Laura Jungels

range of voices.

“Charles has touched the lives of so many people, both here at Morae and among our clients and partners across the eDiscovery community. Our team is simply thrilled for him to receive this well-deserved recognition from Relativity for all his hard work and unwavering dedication and advocacy to diversity, equity, and inclusion,” said Laura Jungels, Managing Director.

Charles Ochse

Ochse added, “It’s truly an honor for me stand alongside such a great group of deserving nominees as an award finalist for Inclusion in the 2023 Relativity Innovation Awards. It gladdens my heart to see so many people from so many backgrounds here at Morae and increasingly from around the legal community all working together with mutual respect and acceptance. That is what this is all about and I look forward to continuing to push for even more positive change.”

Now in its 10th year, the Relativity Fest Innovation Awards celebrate both individual contributions to the eDiscovery community as well as new and innovative solutions for the Relativity Community that help lawyers and litigation support experts solve complex or unique issues inside and outside of eDiscovery. Voting for the 2023 awards will be open through August 25th at <https://www.surveymonkey.com/r/INNOPPLVOTE23>.

The winners will be announced at the 14th annual Relativity Fest, taking place from September 26-28, at the Hyatt Regency in Chicago. Relativity Fest is designed to educate and connect the e-discovery community. It’s the place for legal and tech professionals to talk shop, connect with peers, and learn from each other. For those who have not yet registered and are interested in attending the event in person or virtually, registration is [available here](#).
