

Sunergy Systems is Celebrating its 18 Year Anniversary

Washington State's Most Trusted Solar Company

SEATTLE, WA, UNITED STATES, August 17, 2023 /EINPresswire.com/ -- [Sunergy Systems, an employee-owned company](https://www.sunergysystems.com) is celebrating 18 years of helping homeowners go solar with premium panels, equipment and the best in class warranty.

Since 2005, the company has been fulfilling three primary goals: to provide sustainable energy solutions and practices to protect the environment; to offer world-class customer service to all those they serve; and to create meaningful careers for those who share the company's environmental and service goals.

As an Employee-Owned Corporation, the company works hard every day to maintain their goals

“

We are thrilled to be celebrating 18 years. Our employee-owned solar company has installed 18.7 Megawatts of solar on the homes and businesses of 2,198 customers — making a difference every day!”

Howard Lamb, Founder of Sunergy Systems

while becoming established as one of the most well-respected and experienced solar providers in the Pacific Northwest. The company continues to attract the best solar professionals in the industry due to their employee-ownership. They have created and continue to support a company culture of integrity, quality, and impeccable customer service. It's no surprise that they have one of the state's longest-tenured solar team which guarantees that every customer has a crew of seasoned professionals throughout all stages of their solar experience for a seamless and simple process.

Sunergy also actively engages in [sustainable education for](#)

[our employees and the community](#),

and financially supports amazing nonprofits through their charitable giving program. In 2022 Sunergy Systems donated 9.0% of their profits to non-profit organizations.

“We are thrilled to be celebrating 18 years of service to solar customers, our communities and the earth,” stated Howard Lamb, Founder of Sunergy Systems. “Our employee-owned solar company has installed 18.7 Megawatts of solar on the homes and businesses of 2,198 customers — continuing to make a difference every day!”

Sunergy Systems Installation
