Ancient Alchemical Healing Traditions with a Modern Day Twist

Beauty." According to Adora, "The future of authentic beauty is holistic wellbeing. It emanates from your inner radiance, and the presence of a kind and compassionate heart." She will be educating on the potent uses of Flower Power and how to activate beauty that is more than skin deep. Her presentation will explore the versatile use of flowers in the form of essential oils to harness the body's innate healing power, creating greater emotional resilience, and spiritual awakening.
