LOS ANGELES, CA, USA, August 17, 2023 /EINPresswire.com/ -- The captivating and multi-talented musician and actor, [Smooov Kapiushon](#), recently released his latest song and [music video](#) for the highly anticipated horror movie "[Young & Cursed](#)."

Smooov Kapiushon collaborated with the visionary production force behind "Young & Cursed," Chiaramonte Films, Inc. The up-and-coming artist, also known for "Hood Luv" and "Mood Swings" raises the curtain on a chilling saga that promises to grip audiences' hearts.

Renowned both as a musical virtuoso and accomplished actor, Smooov Kapiushon, also known as Stevarion Allen, has not only penned and performed the film's titular anthem but also commands the screen as Jason, a character ensnared in the clutches of his own very real inner demon.

According to the director Andrew Chiaramonte, "After auditioning, rehearsing and the start of filming, Stevarion had an idea, an inspiration if you will, and he wrote the single, the title tune for the film which you see him performing here in the guise of his alter ego, the off-the-charts singer songwriter, Smooov Kapiushon. It was important that the production of the music video take advantage of the actual location where the horror of the story takes place and that the other young actors of 'Young & Cursed' be included in the filming. Give it a look and defend yourself against the terror."

Eliot Gurrin, co-producer / post-production supervisor, stated "Having the cast included in the music video on location during the actual film production gives it a surrealistic look and feel."
