/EINPresswire.com/ -- GrowPath is a [Top Legal Document and Case Management Software](#), according to leading company Software Advice in its latest “FrontRunners” report. Software Advice, which helps businesses navigate their software-buying journey, ranks top products based on verified customer satisfaction ratings.

GrowPath was also recognized with the distinctions of “Most Recommended” and “Best Customer Support” for the [Case Management Software](#) category in 2022.

Software Advice’s research into GrowPath’s client reviews revealed many highly-satisfied users of the product. Here’s what some of GrowPath’s clients had to say:

“We are very pleased with our choice of GrowPath and look forward to using the product for many years to come. The GrowPath team is client focused and invested in the success of our firm to ensure team buy-in. GP has been there every step of the way with us and has been vital to the implementation of the product.” – Patrick

“I feel like GP has improved both client communication & inner-office communication, and it being web-based really helped during quarantine (and ongoing remote work days). The data import from our previous software was pretty seamless! Also, they provided some great training to our entire staff.” – Melissa

“GrowPath makes it easy to create multiple documents at one time. I use the click-to-call option

for every phone call. Making notes and setting tasks for myself is very simple. It always makes it easy to work from anywhere. Finally, having the information bar at the top of every page is so helpful.” – Laura
