Stereo Palace is a top-rated car audio installation in Phoenix, located at 3548 W Cactus Rd, Phoenix, AZ 85029

The company offers audio installation services, Intoxalock installation service, and high-quality stereo systems for a great experience for audio lovers. Stereo Palace announced the Intoxalock installation in Phoenix after a drunk driving conviction.

Stereo Palace is providing various brands of audio such as [Kicker Audio](#), Focal Audio, and [Rockford Fosgate](#)

stereo installation service in cars. Stereo Palace has almost 150 years of expertise in the industry, specializing in audio installation.

“If you are looking for an audio and alarm professional for your vehicles in your area, this is the place to be. In our Stereo Palace, you will find all-brand stereos like Sony, Infinity, and Rockford Fosgate. Our professionals are well experienced and experts to do their work.

“

There’s much to see here. So, take your time, look around, and learn all there is to know about us. We hope you enjoy our store and take a moment to allow me to help you with your car audio in Phoenix”

Issa Sayegh

You will also find intoxalock for after a drunk driving conviction,” says John Sayegh, the founder and owner of Stereo Palace, “Install a high-quality stereo in your favorite car with Stereo Palace you will love the way and the work quality because our team is very professional and well experienced. If you are worried about regularly repairing your car’s favorite stereo stay back home just call us we

will fix this as soon as possible and it will increase your audio experience.”

Stereo Palace is committed to providing the highest-quality audio installations and services available in Phoenix.

That's why Stereo Palace only works with the best brands in the business so people can hear music the way it was designed to be heard when driving through Phoenix.

Stereo Palace is a car stereo store in Phoenix.

Their products and installation services are backed by a money-back guarantee. In addition, they install low-cost intoxalock. Intoxalock is a tiny, portable breathalyzer for car ignition switches that prevent users from starting their vehicle after they've consumed alcohol.

They know how to install vehicle audio in Phoenix like the backs of their hands.

They'll program the best audio system into the vehicle for audio blasting those beats without having to worry about a large audio system taking up room in the vehicle.

They'll ensure the new audio system is up to par in terms of functionality and sound quality.

Stereo Palace has built a good reputation in the Phoenix community by following these key values and providing high-quality services, as proved by the favorable Google reviews the car stereo company receives on a regular basis.

For example, Brandon Hearn describes their experience, "Toby got me in right away.

After looking around town they beat everyone's price that I could find. They were very nice and professional. They even went out of their way to give my daughter and me a ride to our hotel. The system sounds great, everything works great. I would definitely recommend the shop to anyone wanting a quality sound system for a great price. Issa, thank you for your help, I will only use your shop in the future. Best customer service in town! Quick with their work, honest & no bs they get their work done. Love the guys over at Stereo Palace! They do great work and are very professional. Very knowledgeable and upfront about their service and the products they offer. Would definitely recommend them to anyone."

Robb Millett similarly says, "I was calling all over town looking for a place to buy an alarm and have it installed. I am happy with the work and service and I will be returning to have speakers and an amp installed by them. You need to get there early cuz they are BUSY!! Thanks, guys see you in a few months! Love the guys over at Stereo Palace. Service is great and they get you in and out at a convenient time. 10/10 service."
