ORLANDO, FLORIDA, USA, August 21, 2023 /EINPresswire.com/ -- Presidential Candidate Rollan Roberts II is set to address the nation directly on Wednesday, August 23, 2023, at 8pm (est). According to Roberts, "The RNC has set forth criteria for appearing on

the debate stage August 23, 2023. Some of the metrics they have set forth to debate, my fellow candidates and I are either unable or unwilling to comply with. While debate zingers make for better television and tee shirts, I'm running to better America, not entertain America." Therefore,

“

it is the American way to share our ideas respectfully and constructively in the best interest of the United States of America.”

he has opted to speak directly to the American people for a conversation about the future of America.

Roberts' address will be broadcast live and streamed across several networks. The Roberts Campaign also invited all Republican candidates that have not been announced as having met the RNC debate criteria to ensure they had a platform for their voices to be heard. Dr. Roberts states, "I want America to see the stark difference between establishment, old-school politics in Milwaukee and civil, respectful Americans running to

better our nation. Americans will have a side-by-side view of the night and day difference between the worst of politics and the hope of America. We are who and what the American people cry for on a daily basis. Our voices will not to be silenced by an establishment that seeks to limit new ideas and entrants. Rather, it is the American way to share our ideas respectfully and constructively in the best interest of the United States of America.”
