

New Vast Outreach (Patent Pending) Application Revolutionizes B2B Lead Generation with Google Maps, LinkedIn Automation

BOCA RATON, FL, UNITED STATES, August 21, 2023 /EINPresswire.com/ -- Vast Outreach, an innovative digital solution provider, is set to launch its groundbreaking new patent pending application today, providing companies with a whole new approach to lead generation and outbound b2b marketing. This [state-of-the-art application](#) allows businesses to source leads globally from Google Maps, LinkedIn, and its proprietary list of e-commerce stores, automating outreach to them via website contact forms and email.

Vast Outreach's new application heralds a significant leap forward in lead generation technology. By aggregating and capitalizing on the enormous potential of digital platforms like Google Maps and LinkedIn, it streamlines the process of locating, contacting, and following up with potential clients, making the often time-consuming task of lead generation more efficient and effective than ever before.
