DEBARY, FL, USA, August 21, 2023 /EINPresswire.com/ -- A longtime dream will be realized today when a local family is feted with a parade, flag ceremony and speeches before accepting the keys to their new house built by Dream Finders Homes, a premier builder at DeBary's Rivington community. According to Dream Finders Homes' Orlando Division President Gerry Boeneman, the 2,853 square-foot home is valued at nearly \$475,000.

The event – in honor of wounded veteran USAF Staff Sergeant Matthew Cable, his wife Ensley, and son Cade – begins at 9:30 a.m. with a parade starting from the Rivington Amenity Center at 833 Terrapin Drive led by the color guard from DeBary [Veterans](#) of Foreign Wars Post 8093, a flag ceremony and a speech by DeBary Mayor Karen Chasez. State and local government officials will also be on hand to welcome the veteran and his family.

USAF SSG Cable served for 10 years before being medically discharged in June 2022. Since developing leukemia from exposure to chemicals in the Middle East, he has been in his second remission for 3-1/2 years.

“The Cable family’s resilience in the midst of adversity is truly heroic,” said Andy Pujol, Founder and CEO of Building Homes for Heroes. “Their unwavering courage, grit, and determination gives us all hope. It’s a privilege to be a part of their journey in gifting them the keys to their forever home.”

To make the gifting of the home possible, Jacksonville-based Dream Finders Homes teamed up with developer Reader Communities and its joint venture partner Dallas-based Hillwood Communities to provide the homesite and build a mortgage-free home. The team partnered with Building Homes for Heroes, a national non-profit organization dedicated to helping provide
