MT VERNON, OHIO, UNITED STATES, August 21, 2023 /EINPresswire.com/ -- HigherLife Publishing & Marketing is thrilled to announce the recent launch of our latest book entitled, "Living in Triumph" by Wendell Brown. This book helps readers discover how to find freedom from the struggles of life and experience breakthroughs. Wendell Brown, through his own life testimonies and wisdom, compels the reader to find personal transformation.

"Living in Triumph" is designed to provide the reader with inspiration, motivation, and practical steps to help them become the person they were meant to be.

"This book will help you find practical steps, with God's help, to overcome the difficulties that life can throw your way," said Coach Mark Richt, the 2023 College Football Hall of Fame Inductee. Darryl Strawberry, 4-time World Series champion, agrees, "I know that with God's help triumph is possible. I hope this book will be helpful for you to overcome whatever you struggle with in your life."

Through compelling stories and actionable advice, Living in Triumph teaches readers how to:

- Develop an optimistic and persevering mindset in the face of setbacks and failures.
- Learn from mistakes and see them as steppingstones rather than stumbling blocks.
- Build resilience and mental toughness through adversity.
- Find purpose and meaning even in difficult circumstances.
