

NVBDC has become an affiliate member of the NSBA to further advocate for the special needs of SD/VOBs

NVBDC is participating in a webinar series in partnership with NSBA titled "Service to Success".

DETROIT, MI, UNITED STATES, August 21, 2023 /EINPresswire.com/ -- [National Veteran Business Development Council - NVBDC](#) has become an affiliate member of the NSBA - National Small Business Association to further advocate for the special needs of service-disabled and veteran-owned businesses.

To inaugurate this strategic partnership, we are participating in a webinar series in partnership with NSBA titled "Service to Success" which outlines how NVBDC and NSBA are going to lead the charge for Veteran Business development.

Keith King, Founder & CEO, National Veteran Business Development Council (NVBDC)

Check out the speaker lineup for this upcoming "Service to Success" webinar to be held on August 23rd at 4 PM EST.

Shauna Weatherly

Shauna Weatherly is the founder of Federal Subcontract Solutions LLC, an Oklahoma City-based consultancy which helps private firms navigate and succeed in the federal procurement space. Before starting her own Women-Owned Small Business (WOSB), Weatherly spent nearly 36 years as a procurement expert with the Army Corps of Engineers, the Federal Aviation Administration (FAA), and the General Services Administration (GSA).

Keith King

Keith King is an Army veteran and the founder and CEO of the National Veteran Business Development Council (NVBDC). NVBDC is an award-winning organization that performs third-party veteran-owned business certification services and connects veteran-owned businesses with supplier diversity opportunities. Overall, King has devoted over 40 years to veterans' advocacy.

Joanie Myers

Joanie Myers is co-founder COO of Strategic Link Partners, a consultancy that supports the U.S. Military's special forces community. For her work, she was conferred The Order of the Long Leaf Pine, the State of North Carolina's highest civilian honor for her work in national security and innovation.
