

Onyx Govt. Services, LLC secures contract re-compete for US Treasury - Alcohol and Tobacco Tax and Trade Bureau (TTB).

Onyx Govt. Services, LLC awarded \$82M BPA by Bureau of Fiscal Services to support Alcohol and Tobacco Tax and Trade Bureau (TTB) and their Office of Analytics.

CENTREVILLE, VIRGINIA, UNITED STATES, August 22, 2023 /EINPresswire.com/ -- Onyx has been providing the development and ongoing support for Data Analytics, Data warehouse, Data Governance, and Production Support & Platform Administration at TTB. Onyx is an integrated team to support the development of critical components of the analytical environment including strategic vision and governance, an augmented data layer, entity maintenance, SAS, Tableau, Oracle, SQL Server/ SSIS and PostgreSQL database development, enterprise business rules, and user training and support.

"We are very pleased to win our re-compete for our Analytic Support of TTB. We look forward to continuing our support and assisting TTB in reaching and exceeding their goals." said Mr. Ken Jensen, Founder and President of Onyx Government Services, LLC. "Onyx has been supporting TTB successfully since January 2016, providing Analytics and Data Governance."

"We are thrilled that we have emerged victorious in the re-compete for the support of TTB and their Office of Analytics. This success wouldn't have been possible without the dedication and hard work of our talented team. This re-compete victory is a testament to our capability and the value we bring to every project." said Mr. Belachew Kumsa, the Sr. Program Manager, leading the TTB contract since January 2016.
