

# The Living Urn Expands Its Keepsake Line with a New Indoor Wood Planter Option

*The Living Urn Planter Keepsake holds a small amount of ashes and creates a beautiful alternative for families to memorialize a loved one in a unique way.*

GREENWOOD VILLAGE, CO, USA, August 22, 2023 /EINPresswire.com/ -- The Living Urn, a division Biolife, LLC, is excited to announce that it is expanding its keepsake offering to include The Living Urn [Planter Keepsake](#), a unique limited edition indoor urn made from beautiful premium hardwoods. This special [keepsake urn](#) holds a portion of a loved one's ashes along with a succulent or small plant and is offered for \$195.

Mark Brewer, company President, commented, "We're excited to continue to expand our high quality keepsake line and now offer a smaller version of the popular Living Urn Planter. Each Living Urn Planter Keepsake has been meticulously handcrafted to create a special living memory piece worthy of the ones we love."

“

We're excited to continue to expand our high quality keepsake line and now offer a smaller version of the popular Living Urn Planter..."

*Mark Brewer, President*

Brewer continues, "Due to a growing demand from our customers and funeral home partners, we continue to expand our keepsake line and [cremation jewelry](#) options. We believe these are great complements to the unique urns and other memorials we offer and make for beautiful ways to honor a loved one."

The Living Urn Planter Keepsake can be found online or at a funeral home near you.

## About The Living Urn

Based in Colorado, The Living Urn is committed to developing and providing unique cremation urns serving families looking for eco-friendly afterlife options that can be more meaningful and personal. Its growing market leading product offering includes the patented Living Urn<sup>®</sup>, the leading bio urn and planting system designed to grow a tree with ashes, The Living Urn<sup>®</sup> Indoors, the Eco Scattering Urn, a unique bamboo urn for scattering ashes, the Eco Water Urn, a proprietary urn that floats and gracefully frees ashes in water, and the Eco Burial Urn, a special bamboo burial or traditional decorative urn. The company is developing additional cremation urns, cremation jewelry, and keepsakes that it will be introducing in the next few months.
