

Introducing SharpForever™ - Free Sharpening For Life On All STEELPORT Knives As Part Of Their Lifetime Warranty

With the SharpForever™, customers can rest assured their handcrafted STEELPORT continues to be their best performing kitchen knife for a lifetime of use.

PORTLAND, OREGON, UNITED STATES, August 23, 2023 /EINPresswire.com/ -- Officially launching on National Knife Day, Thursday, August 24th, handcrafted American-forged kitchen knife company [STEELPORT Knife Co.](https://www.steelport.com)'s new "[SharpForever™](https://www.steelport.com/sharpforever)" program provides free knife sharpening services for life for any and all STEELPORT knives. STEELPORT's SharpForever program is an extension of the company's existing Lifetime Warranty, created to provide customers total coverage, convenience and care of their premium American handcrafted kitchen knives.

With the new SharpForever program, STEELPORT's team will expertly return an exceptionally sharp edge to any STEELPORT knife – free of charge – at their Portland, Oregon factory where they handcraft all of their knives.

"We launched STEELPORT three years ago with a Lifetime Warranty to ensure new STEELPORT customers would feel

Backed by a lifetime guarantee and their SharpForever™ free sharpening for life service, STEELPORT's heirloom quality knives help create treasured memories and family traditions in the kitchen

With their new SharpForever free sharpening service, STEELPORT makes it convenient and free for customers to keep their premium heirloom knives in top condition at all times.

100% confident in their heirloom purchase, knowing they are buying a knife built to last a lifetime,” says Ron Khormaei, Founder and CEO of STEELPORT Knife Co. “Our new SharpForever free sharpening service is a natural extension of this existing Lifetime Warranty to give our customers a carefree experience, trusting that STEELPORT is there for them with full support. Whether they are buying a STEELPORT for themselves or as a gift, our customers know that their new knife is backed with the highest level of service and care.”

With the new SharpForever program, STEELPORT's team will expertly return an exceptionally sharp edge to any STEELPORT knife – free of charge – at their Portland, Oregon factory where they handcraft all of their knives.

Using a properly sharpened knife creates a significantly more enjoyable, more efficient and safer cooking experience. STEELPORT knives can keep their sharp edge for 3x longer than the vast majority of kitchen knives in the world, thanks to their proprietary heat treatment which achieves an industry-leading 65 HRC hardness at the blade edge. Even so, with time and use, every kitchen knife - no matter the steel,

style or quality - should be resharpened. Performing regular maintenance of honing and occasional sharpening will keep a knife at peak performance. With their new SharpForever free sharpening service, STEELPORT makes it convenient and free for customers to keep their premium heirloom knives in top condition at all times.

“

SharpForever is a natural extension of our Lifetime Warranty to give our customers a carefree experience, knowing their STEELPORT knife is backed with the highest level of service and care.”

Ron Khormaei, Founder and CEO of STEELPORT Knife Co.

The program is aptly named “SharpForever” because a STEELPORT knife with its uniquely hard steel achieves an extremely sharp edge which also stays sharper for longer, the STEELPORT team will re-sharpen your knife for free whenever needed, and a STEELPORT knife is backed with a lifetime warranty.

Free sharpening is available for all of STEELPORT Knife Co.'s lineup of [award-winning American made knives](#), including the 4" Paring Knife, 6" Chef Knife, 8" Chef Knife, 10" Slicing Knife, and the serrated 10" Bread Knife.

To take advantage of the SharpForever program, local Portland-area customers can simply bring their STEELPORT knives directly to the STEELPORT factory for free sharpening, while out of town customers can ship their STEELPORT knives to the factory. Complete details can be found here:
