China Yibai United Guarantee International Holding, Inc. ([OTC: CBGH](#)), with its wholly owned subsidiary TidyCall Inc.,

is a prominent Canadian company headquartered in Markham, situated in the Greater Toronto Area. CBGH, specializing in offering on-demand home maintenance services to mobile-device users through its innovative TidyCall™ App is dedicated to revolutionizing the way homeowners

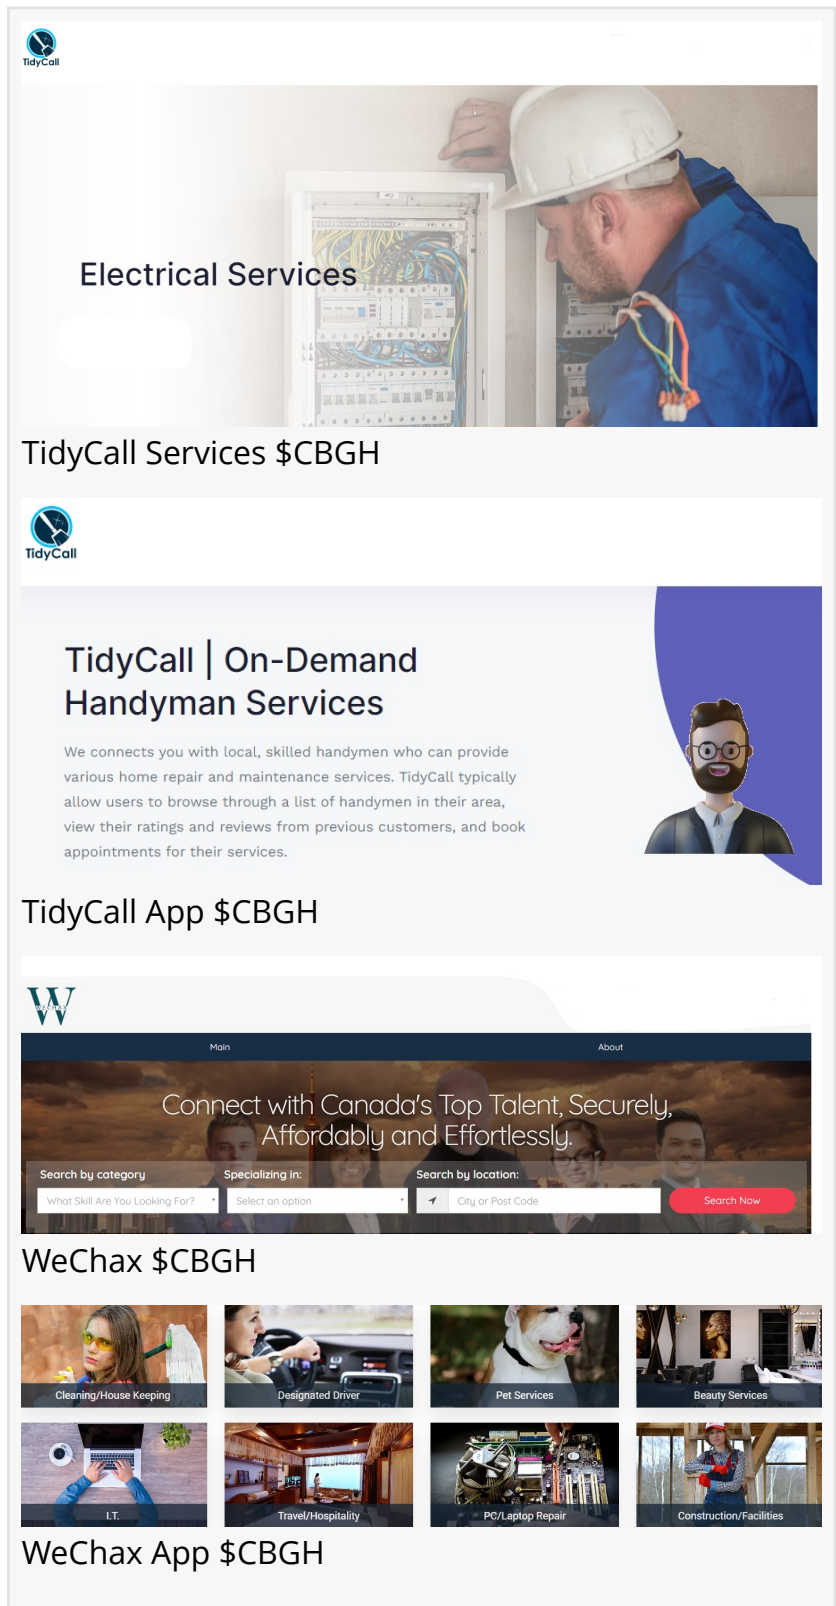

address their household needs.

CBGH/TidyCall has a new vision to unleash the revolutionary potential of its TidyCall&trade; APP3.0 to expand its business scope from Cleaning Service to the full spectrum of Home Services. With the enhanced TidyCall&trade; App3.0, the company will provide customers with a one-stop solution for all their home-related needs, including home cleaning, roof repair, household appliance repair and installation, plumbing repair, garage door repair, electrician services, and small-scale renovations.

CBGH provides mobile-device users on-demand services (residential & commercial) information and access through its proprietary TidyCall™ App. There are two versions of the CBGH/TidyCall™ App available for download: TidyCall User™- for consumers who use commercial Cleaning Services (CSUs), and TidyCall Provider - for approved Cleaning Service Providers (CSPs). Individuals interested in becoming a TidyCall CSP can now apply at <https://TidyCall.com>.

With an increasing growth in demand for sharing economy services, CBGH/TidyCall™ is following the footsteps of other highly successful companies operating as a sharing economy, such as Uber Technologies, Inc. and DoorDash, Inc. Capitalized on its visionary management team and proprietary technology, the CBGH/TidyCall goal is to become a major player in the hundred-billion-dollar global cleaning service industry.

## CBGH Unveils Wechax.com: Revolutionizing Freelancer Services and Catalyzing Revenue Growth

On August 21st CBGH, in partnership with its wholly owned subsidiary, TidyCall Inc., introduced the groundbreaking freelancer hiring platform, Wechax.com. This visionary move not only opens new avenues for revenue but also marks a transformative leap in the freelancer services landscape.

Wechax.com emerges as a dynamic platform bridging the gap between freelancers and service recipients. Initially catering to the greater Toronto area and soon expanding to Vancouver, followed by other Canadian cities and eventually throughout North America, this platform creates an unparalleled ecosystem where skilled freelancers and service seekers converge.

The CBGH fusion of Wechax.com with TidyCall App results in a harmonious partnership. As the CBGH/TidyCall App continues to redefine on-demand home maintenance services, seamless access to Wechax.com's freelancer talent pool ensures a steady stream of proficient professionals spanning diverse domains - from cleaning and electrical work to home appliance repair and plumbing. Wechax.com synergistically complements the CBGH/Tidy Call holistic approach, offering a unified platform catering comprehensively to all home improvement needs. A pivotal goal is to transform 60% of registered Wechax freelancers into active service providers on the TidyCall App.

User convenience takes center stage on Wechax.com. By navigating through categorized services and inputting location specifics, users effortlessly connect with nearby freelancers. The CBGH platform's intuitive design empowers users to gauge the proximity of freelancers to their service requirements, facilitating well-informed decisions.

The CBGH Wechax.com site empowers freelancers through a spectrum of membership options. From the entry-level General Membership, granting access to the bustling platform, to the competitively priced Premier Membership at \$9.95 per month or \$99 per year, freelancers tailor their engagement for maximum visibility and perks.

The CBGH/TidyCall's latest milestone, Wechax.com, signifies a strategic leap into future growth avenues. With its inherent ability to tap into the dynamic freelancer economy, Wechax.com emerges as a pivotal instrument shaping the future of service provisioning.
