Crafting Excellence: Taiwan Rice Oolong Tea's Journey to Triumph

Empire Eagle Food has consistently been a trailblazer in the world of teas, and its latest achievement is a resounding affirmation of its dedication to crafting remarkable products. The iTQi(International Taste & Quality Institute) Crystal Award is an esteemed recognition of Taiwan Rice Oolong Tea's unparalleled flavor and impeccable quality, marking it as a truly exceptional choice for tea enthusiasts worldwide.

"We are delighted to receive the iTQi Crystal Award for our Taiwan Rice Oolong Tea," said James Tseng, CEO of Empire Eagle Food. "This award not only reflects the dedication of our skilled artisans but also celebrates the rich heritage of Taiwanese tea culture that we aim to share with the world."

Embracing Tradition, Embodying Innovation

Taiwan Rice Oolong Tea is a unique and captivating blend that marries tradition with innovation. After sun-withering, indoor resting (cooling), stirring and shaking, killing and twisting, baking and

rolling, the initial production of oolong tea is completed. Then, it undergoes two high-temperature roasting to produce the aroma of "traditional Taiwanese popcorn". Not only is it the aroma of Taiwanese popcorn, but after a sip, you will find that there is also a strong aroma of Japanese genmai in the aftertaste.

This award-winning tea encapsulates the essence of Empire Eagle Food's commitment to quality and craftsmanship. The accolade underscores the company's steadfast dedication to delivering a tea experience that goes beyond taste, inviting individuals to embark on a journey of sensory delight and cultural immersion.

Elevating Tea Appreciation: The Experience of Taiwan Rice Oolong Tea
Taiwan Rice Oolong Tea isn't just a beverage; it's an experience that enchants the senses.
