ChiroCup: A Day of Golf, Unity, and Giving
Presented by Business Water Solution and organized by

the Georgia Council of Chiropractic, ChiroCup transcends traditional golf tournaments, embodying the spirit of unity and support for crucial causes. This tournament serves as a fundraiser benefiting The Foundation for Vertebral Subluxation, a driving force in chiropractic research.

Additionally, proceeds contribute to The Davis Direction Foundation, which empowers opioid addiction recovery by including chiropractic care in their program, and the Subluxation Awareness project of the GCC, which raises public awareness about chiropractic, especially in cities with Dynamic Essentials or GCC member chiropractors.

"Last year, we were able to donate \$10,000 towards immunity research which during these last few years have proven more important than ever for the health care freedoms of our citizens," said Dr. Wade Port, ChiroCup Director.
