## A Legacy of Empowerment and Transformation

The mission of DE goes beyond the conventional seminar format. It is a transformative journey to discovering Lasting Purpose. Over the decades, this has equipped thousands of chiropractors and their administrative teams to give, love, and serve their communities as they become "aware, humble, and obedient to the voice within. This makes you Dynamic, and that is essential."

“

DE is a dynamic group that loves everyone. We're a chiropractic conference. We're about showing up big in your life and turning within, connecting with your Innate, and loving up on people.

”

The weekend includes dynamic presentations, interactive workshops, and a supportive community that becomes more of a family reunion than a group of colleagues seeking continuing education credits. The impact of DE reverberates within the profession and the lives of the patients and practice members they serve.

DE recently celebrated a significant milestone with its largest Atlanta meeting in over a decade. Building on this success, DE is thrilled to announce that its October 2023 meeting will take place in a new and larger space at the Atlanta Marriott Northwest at Galleria. This expansion is a testament to DE's dedication to accommodating its growing community and providing an even more enriching experience.

#### A Golfing Tradition for a Worthy Cause

Adding to the vibrancy of DE, many attendees will participate in the [ChiroCup](#) golf tournament on Thursday before the official start of DE on Thursday evening. The 6th annual ChiroCup, presented by Business Water Solution and organized by the Georgia Council of Chiropractic (GCC), is a fundraiser for vital causes.

The funds raised support The Foundation for Vertebral Subluxation, which researches chiropractic benefits; The Davis Direction Foundation, offering resources for opioid addiction recovery and highlighting chiropractic's role in recovery; and the Subluxation Awareness project of the GCC, promoting chiropractic in cities with DE or GCC member chiropractors.

#### The Defending Champs: DE Golf Team

The DE golf team comprising Drs. Steve Judson, Brian Lieberman, Eddie Martinez, and Brian Moriarty emerged as champions in last year's ChiroCup tournament. Their victory underscores the spirit of excellence and camaraderie that DE fosters among its attendees.

#### Embracing Community and Philanthropy

"DE is a dynamic group that loves everyone," said Dr. Brian Lieberman, DE board member. "We're a chiropractic conference. We're about showing up big in your life and turning within, connecting with your Innate, and loving up on people."

The ChiroCup golf tournament exemplifies this dedication to serving and giving back to meaningful causes while nurturing connections among chiropractors and their supporters.
