Definition:

Desi cow ghee, also known as clarified butter, is a traditional type of clarified butter that is produced from the milk of indigenous cow breeds, often referred to as "desi cows." This type of

ghee has a special significance in many cultures, particularly in India, where it is widely used in cooking, traditional medicine (Ayurveda), and religious rituals. Consumers interested in obtaining authentic and high-quality desi cow ghee should look for reputable sources and consider factors like the breed of cows, production methods, and the reputation of the brand or supplier.

Revenue and Sales Estimation — Historical Revenue and sales volume are presented and further data is triangulated with top-down and bottom-up approaches to forecast complete market size and to estimate forecast numbers for key regions covered in the report along with classified and well-recognized Types and end-use industry.
