

PAKSHIELD Revolutionizes Personal Safety with the Launch of its Online Store

TOLEDO, OHIO, UNITED STATES, August 23, 2023 /EINPresswire.com/ --

[PAKSHIELD, Inc.](#), a leading provider of personal protection devices, has announced the launch of its [online store](#). The store features several new devices designed to help protect individuals in the event of an active shooter situation.

The PAKSHIELD personal protection devices (or "PAKS") are a discreet, portable solution that can provide peace of mind in the face of potential danger. The personal protection devices meet NIJ IIIA ballistic standards and are designed to slide easily into

backpacks, messenger bags, briefcases, and binders. The devices are made from high-quality, recycled materials and have been rigorously tested to ensure they meet the highest standards of protection.

“

"We believe that everyone has the right to feel safe and secure, and our product is designed to provide an extra layer of protection in the event of an emergency." "

*Jim Trotter, president of
PAKSHIELD*

The PAKs come in six different colors and include the following options:

Backpack Inserts - Two size options (12"x16" or 11"x14") to fit perfectly into any backpack, messenger bag, carry-all, or briefcase.

Binder Inserts - A smaller version (9"x12") with grommets to fit perfectly into 3-ring binders and notebooks.

"We are excited to launch our online store and introduce our PAKs to the market," said Jim Trotter, president of PAKSHIELD. "We believe that everyone has the right to feel

safe and secure, and our product is designed to provide an extra layer of protection in the event of an emergency."
