DELAWARE, OHIO, UNITED STATES, August 23, 2023 /EINPresswire.com/ -- Ron Scott Design Build, celebrated for its luxurious kitchen and bath interiors, proudly announces its participation in the upcoming NARI Home Improvement Showcase on Saturday, August 26th & Sunday, August 27th, 2023. Following their distinction as Certified Living in Place Professionals (CLIPP), owners Scott and Danette Veatch are eager to demonstrate the tangible benefits of their certification through their showcased remodels.

Two homes, reflecting the meticulous craftsmanship synonymous with Ron Scott Design Build, will be presented:

Site 9: 5855 Rocky Rill Rd., Columbus 43235

Site 10: 1109 Ravine Ridge Dr., Worthington 43085

The 5855 Rocky Rill Rd. location is particularly noteworthy as it embodies the principles of the CLIPP certification. In a concerted effort to design spaces that are not only breathtaking but also functional and accommodating, Ron Scott Design Build has transformed this home with specialized design features and remodeling services. Key features include an upgraded ADA accessible bathroom, a zero-entry curbless shower, custom grab bars, a cavity sliding door, and under-vanity lighting. Furthermore, they've incorporated illuminated outlets that guide occupants toward the home's exit during potential emergencies like fires, and offer nighttime lighting to the kitchen.
