

Adient Puebla Plant Earns Prestigious Problem-Solving Excellence Award from Kepner-Tregoe

PRINCETON, NJ, UNITED STATES, August 23, 2023 /EINPresswire.com/ -- [Kepner-Tregoe](#) (KT), the global leader in critical thinking technologies, is pleased to announce the commendation of global automotive seating company [Adient](#) Puebla Plant (Adient) with its distinguished Problem-Solving Excellence Award. Adient received the recognition at the KT's Global Excellence Awards Ceremony held on July 28, 2023 in New York City.

The Problem-Solving Excellence Award is a testament to teams that have showcased unparalleled expertise in leveraging KT methodologies to navigate complex challenges. Adient adeptly identified the root cause of a highly complex issue within a short span of time, and then successfully implemented a targeted and validated solution that resulted in both increased production efficiency and reduced costs.

This achievement underscores Adient's commitment to operational excellence. The inaugural honor of the evening, the Problem-Solving Excellence award was presented to Victoria Reyes, Adient Puebla's continuous improvement manager, by Bill Baldwin, CEO of Kepner-Tregoe.

Kepner-Tregoe extends its heartfelt congratulations to Adient for this achievement, solidifying their status as a beacon of global excellence and rightfully earning the esteemed KT Global Excellence Award.
