

iMedical Healthcare Solutions Earns Prestigious ISO 9001:2015 Certification

Three-Year Certification Validates Company's Commitment to Quality Management Standards

VIRGINIA BEACH, VIRGINIA, UNITED STATES, August 24, 2023

/EINPresswire.com/ -- Today, [iMedical Healthcare Solutions](https://www.imedicalhealthcaresolutions.com/), a pioneering force in innovative healthcare solutions, proudly announced its achievement of the ISO 9001:2015 certification, in 9 areas of medical services. This esteemed certification affirms the company's unwavering dedication to upholding the highest quality management principles and practices throughout its operations.

ISO 9001:2015 is an internationally recognized standard that ensures organizations meet the needs of customers and other stakeholders while adhering to statutory and regulatory requirements related to a product or service. iMedical's three-year certification, after rigorous audits and evaluations, is a testament to its commitment to continuous improvement, customer satisfaction, and world-class service delivery.

CEO of iMedical Healthcare Solutions, John Taylor, expressed elation on the accomplishment, stating, "This certification is not just an achievement for us, but a promise to our valued partners and customers. We are constantly evolving to provide the best possible service and solutions. Earning the ISO 9001:2015 further validates our unwavering dedication to quality."

A few highlights from the ISO 9001:2015 certification assessment for iMedical Healthcare Solutions include:

ISO Certification

1. Customer Focus: The company displayed a keen dedication to understanding and meeting customer requirements, ensuring enhanced customer satisfaction.

2. Leadership: iMedical's leadership was recognized for its pivotal role in aligning organizational directions, setting customer-focused objectives, and creating an environment conducive to employee engagement.

3. Process Approach: Implementing and managing processes as a cohesive system led to increased efficiency in achieving desired outcomes.

4. Continual Improvement: iMedical exhibited a firm commitment to continually refine its operations for consistent and predictable results.

5. Evidence-based Decision Making: Decisions at iMedical are based on the analysis of data and information, ensuring more balanced and aligned results.
