MyWay Mobile Storage Supports the Maryland Special Olympics

"The staff and employees at MyWay Mobile Storage have gone above and beyond the call of duty when Special Olympics Maryland has used their storage containers," said Steve Bennett, the Senior Director. "Our organization has counted on MyWay for dozens of events in an array of venues."

On Friday, the festivities began with Opening Ceremonies at the SECU arena at Towson, followed by a Block Party Celebration to kick off the weekend competition. The Summer Olympic Games included more than 1,200 Athletes, 425 Coaches, 250 Unified Partners and 600 Volunteers. The athletes participated in a variety of sports and events including Aquatics, Track & Field, Softball, Bocce and Olympic Celebration and Dance. Participation is up 45 percent from last year as athletes continue to return after the pandemic paused the games in 2020.

The mission of Special Olympics Maryland is to provide year-round sports training and athletic competition in a variety of Olympic-type sports for children and adults with intellectual disabilities. Supporting Special Olympics Maryland with storage containers is important to MyWay Mobile Storage. This year, MyWay Mobile Storage provided the SOMD staff with seven of their portable storage units for the staff to transfer all of their sporting equipment from their office in South Baltimore to the event locations at Towson University and Ellicott City.

"Our organization would recommend MyWay to any person, company or organization in need of moving and storage solutions," stated Bennett. "The services are outstanding and the products are top quality."
