

Nsight, Inc. Features Again in the Inc. 5000's Annual List of America's Fastest-Growing Private Companies

Nsight's exceptional growth trajectory on the back of phenomenal revenue expansion, has cemented its position as a preferred partner for Digital Transformation.

SANTA CLARA, CALIFORNIA, USA, August 24, 2023 /EINPresswire.com/ -- Inc. revealed that Nsight Inc ranks No. 4689 on [the 2023 Inc. 5000](#), its annual list of the fastest-growing private companies in America. The prestigious ranking provides a data-driven look at the most successful companies within the economy's most dynamic segment—its independent, entrepreneurial businesses.

“

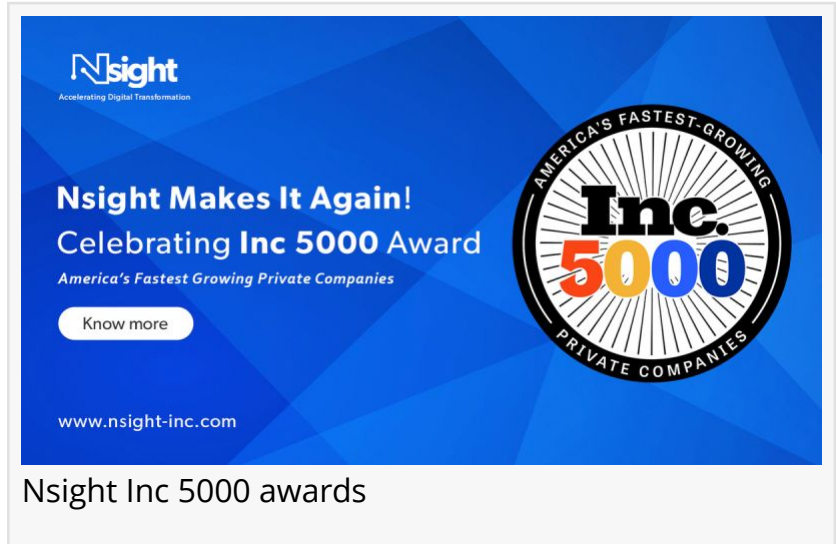

We empower you with technology to navigate disruptions, demonstrating our commitment to your success. Our expertise and processes allowed us to stand strong, serving our customers with efficiency.”

Anudeep Bhatia

Nsight addressed the unique challenges of clients even in uncertain times and honed problem-solving techniques to craft solutions that were not only immediate remedies but also vehicles for long-term success.

Nsight Inc has been featured in the prestigious Inc. 5000 list of America's Fastest-Growing Private Companies for the third time. Nsight's exceptional growth trajectory on the back of phenomenal revenue expansion, has cemented its position as a prominent player in the industry.

The technology consulting firm emerged as a beacon of resilience and innovation in the face of economic uncertainties. Nsight's Co-Founder and CEO, Anudeep Bhatia, who expressed gratitude for the company's inclusion on the illustrious list in 2023, attributed the feat to the company's preparedness to deal with the disruption.

Nsight Inc 5000 awards

"After emerging from the challenges posed by Covid and other uncertainties, the past year tested our readiness to adapt, but with technology as our ally, we not only survived but thrived. We empowered businesses and consumers with technology to navigate disruptions, demonstrating our commitment to their success. Our team's preparedness, coupled with cutting-edge tools, and processes allowed us to stand strong, serving our customers with efficiency during their critical transitions," said Bhatia.

Nsight witnessed exponential growth in its infrastructure portfolio in the past year. This remarkable achievement underscores Nsight's dedication to driving innovation, delivering value, and supporting customers to move to the next level of growth.

The company is directing its efforts toward strengthening the Enterprise AI practice. It aims to invest significantly in enterprise AI to empower customers and generate opportunities to use AI-based tools for business automation and cost optimization.

"Our vision is ambitious, yet purpose-driven. AI is a game changer, and Nsight is poised to lead this revolution with ready-to-use solutions that provide a competitive edge. Our journey is guided by the aspiration to be best-in-class in technology for enterprises and consumers alike," noted Bhatia. He also recognized the team's dedication to clients' success in accomplishing this achievement.

The company firmly believes customer centricity is of utmost importance as it drives digital transformations for its clients. Prakash Shah, Senior Vice-President of Global Delivery, echoed similar sentiments on the achievement and said, "Our listing on the Inc 5000 reflects our unwavering commitment to our customers. Our efforts in building Project Management Methodologies across different service and solution platforms have borne fruit. By adopting best practices for project execution and conducting thorough project audits, we have aligned our efforts directly with the needs and expectations of our clients."

Nsight has managed to maintain its growth momentum despite economic uncertainty, geopolitical concerns, and the challenges brought by the volatile markets. Rakesh Jangid, Vice-

Accelerating Digital Transformation

President of Nsight, attributed this accomplishment to the invaluable support of its clients, technology partners, and the team. "Our team introduced accelerators and solutions that empower customers to embrace the future, upgrading to next-gen applications like cloud seamlessly. Our comprehensive portfolio spans different technologies ensuring we're not just a service provider, but a strategic partner. We've expanded into new practices, delivering value through Infrastructure and CX solutions, driving our growth," stated Jangid.

Sumit Bhatia, Director of Operations at Nsight attributed the recognition to maintaining high standards and delivering excellence that helped in nurturing a profound sense of trust and confidence among clients. "Our commitment to assisting our clients and continuously working to increase the overall client experience has helped us achieve this milestone for the third time. Nsight 3.0 signifies our commitment to innovative problem-solving techniques ingrained in our consulting DNA. With the strides made in next-gen technology, we aim to help our clients maintain a cutting edge in the competitive industry," said Bhatia.

The customer-first approach, combined with transparency, serves as a concrete embodiment of the company's commitment to fostering trust and nurturing meaningful partnerships. This culture of openness seamlessly permeates all practices and functions within the company, forging a dynamic synergy that collectively propels the company toward remarkable growth.

While Jai Pal Charan, Director, of Marketing and CX, said the accomplishment is a testament to the tireless dedication of the team, the visionary leadership, and the invaluable support of clients and partners. "It is truly commendable to get recognized as a rapidly expanding enterprise in the US for the third time. This level of achievement is the result of diligent effort, strategic adaptability, exceptional leadership, and the invaluable support of a vast network of individuals. We remain committed to providing a holistic approach to End-to-End Customer Experience Management encompassing commerce, real-time CDP, analytics, and customer journey optimization," emphasized Jai.

Nsight remains steadfast in its pursuit of accelerating digital transformation as the preferred technology advisor and implementation partner for clients, with value innovation serving as its pivotal differentiating factor. The company is poised to maintain its momentum of continued growth, paving the way for the attainment of bigger milestones in the upcoming year.

This remarkable accomplishment marks Nsight's third appearance on the prestigious Inc. 5000 list, adding to its previous recognitions in 2020 and 2022. The company's consistent recognition speaks volumes about its resilience and adaptability in an ever-evolving business landscape.

Inc. 5000 list from the renowned Inc. magazine showcases the most successful private companies driving growth in the American economy. The list serves as the acknowledgment for private companies at the forefront of driving impact in their respective industries.
