

Tukatech and Inèdit Partner to Bring neoTextil suite of Adobe Photoshop® Plugins to North America

LOS ANGELES, CA, USA, August 25, 2023 /EINPresswire.com/ -- [Tukatech](https://www.tukatech.com) will now offer the textile and apparel industry a robust suite of Adobe Photoshop® plugins. Geoff Taylor, President of TUKAweb, explains "We are pleased to be the first and only distributor of neoTextil in North America, which adds another affordable and MAC-native option to our extensive CAD/CAM portfolio."

Tukatech & Inèdit NeoTextil Suite

NeoTextil is a [design plugin for Adobe Photoshop®](#), to separate images into color channels, create multiple colorways and repeats, as well as generate photo-realistic digital prints and simulations. NeoTextil is offered flexibly as individual modules or in affordable subscription bundles.

“

We are pleased to be the first and only distributor of neoTextil in North America...”

*Geoff Taylor, President of
TUKAweb*

Taylor continues, “Once Adobe users experience these advanced tools, they’ll realize considerable productivity improvements and economic advantages over legacy options in the sector.”

Gerard Buch, Global Account Director for Inèdit shares, “We rely on a wide network of distributors around the globe to ensure our customers and business partners are

well supported and highly successful. We are pleased to start this new partnership with Tukatech to grow Inèdit’s market share in North America.”
