On Dr. Mujtaba's convincing persuasion, the leadership of the AJC issued an unambiguous statement supporting the military leadership of Pakistan (ref. 1 & 2).

Chairman McCaul was sympathetic in resolving issues through active diplomacy and rules of engagements in the region. He agreed to Dr. Mujtaba's invitation to visit Pakistan and meet both, the civilian and military leadership. The details must be worked out by the official channels of both the countries.

"Dr. Mujtaba is a man of peace with leadership acumen to be a successful future Secretary General of the United Nations. I hope Pakistan capitalizes on him. He has a bipartisan support in the United States", said Dr. Kazmir.
