About the International Aircraft Dealers Association

IADA is a professional trade association formed more than 30 years ago, promoting the growth and public understanding of the aircraft resale industry. IADA's dealers consist of the top 15 percent of the world's experts who handle 48 percent of used business aircraft sales. IADA-accredited dealers buy and sell more aircraft by dollar volume than the rest of the world's dealers combined, averaging over 1,100 transactions and \$10 billion in volume per year.

Ninety-nine percent of IADA dealers do business in North America, 74 percent of dealers operate in Europe, 58 percent are active in Latin America and the Caribbean, 47 percent do business in Asia and the Pacific region, 43 percent work in the Middle East and 41 percent in Africa. IADA also represents a variety of IADA-verified product and aviation services members that operate with the highest professional standards in the industry.
