

Gina Maier Vincent - A Breath of Fresh Air, Breathes Transformation Into the Self-improvement World

Introducing a Trend-setting 2-hour Private Transformative Experience: "PURPOSE, POSSIBILITIES and PROSECCO".

COTO DE CAZA, CA, UNITED STATES, August 29, 2023 /EINPresswire.com/ -- [Gina Maier Vincent](#) is thrilled to announce this unparalleled program which is specifically curated to empower HIGH-ACHIEVING BUSINESS LEADERS and ENTREPRENEURS to get unstuck and find their "X-factor".

["PURPOSE, POSSIBILITIES and PROSECCO"](#) is a 2-hour PRIVATE (in-person or virtual) session in which the INDIVIDUAL is the rock star with the spotlight shining on their life's purpose and possibilities. The CLARITY they receive helps them take BOLD and COURAGEOUS ACTION INSTANTLY.

Gina Maier Vincent, Creatrix of Exquisitely Aligned, has been stretching her clients' personal boundaries for 20 years.

"Today, people want MORE OUT OF LIFE which has led to an increased demand for life coaches. To FILL THE VOID, most coaches give up one-on-one work in order to CASH IN with groups. Sadly, this one-size-fits-all approach FAILS 8 out of 10 people." says Gina Maier Vincent.

Transformation IS an INSIDE JOURNEY – a unique and personal one, deep to the soul of one's HEART-FELT DESIRES.

In Gina's opinion, group coaching fails to deliver the promise of change for two reasons:

- 1) It is built on the FALSE FOUNDATION that one's answers are on the outside
- 2) Even if a group coach attempts to teach the inside journey, the participants often resist as they

FEAR BEING VULNERABLE and judged by strangers.

In the end, the cashing of the coaching industry, COSTS the CLIENT more time, money, and energy with minimal results.

“My life has been full of twists and turns and the New Yorker in me simply cannot sit back and watch someone stay stagnant and waste time. That is why I do this work. I help people go deep to their soul so they can enjoy living [Exquisitely Aligned](#) more quickly and easily. After all... THE ANSWERS ARE ON THE INSIDE.” says Gina Maier Vincent

Purpose, Possibilities and Prosecco... a trend-setting private 2-hour transformative experience that is exceeding the demands of fast-paced, eager-for-change, high-achieving business leaders.

Unlike traditional coaching programs, this holistic and AVANT-GARDE APPROACH combines:

- 1) Time-tested ancient and modern face reading techniques
- 2) New-age transformation methods that work
- 3) A never-done-before 2-hour timeframe to get instant results
- 4) The spotlight on the individual's "X-factor"
