## About Boyd Street Ventures

Boyd Street Ventures is a groundbreaking early-stage venture capital firm connecting institutional and other investors to high-growth investment opportunities developed within the ecosystem of University of Oklahoma, recipient of the Carnegie Classification's highest rating for research activity, and by OU alums and other Oklahoma-affiliated entrepreneurs. BSV places Pre-Seed, Seed, Series A and follow-on investments in the Life Sciences, FinTech, Energy Tech, Aerospace & Defense, and Climate Tech sectors. The firm focuses on under-the-radar startups that are less likely to have their prices overbid and overpriced than are startups on the East and West Coasts. This strategy, coupled with its unusually active involvement in providing de-risking strategic and operational counsel to these startups through its BSV Venture Studio, enables Boyd Street Ventures to target above-average returns for its investors.
