

New Platform for Content Creators Launches, Offering A More Straightforward Approach

FORT WORTH, TX, UNITED STATES, August 28, 2023 /EINPresswire.com/ -- [Too Spicy](#), a new platform for content creators, today announced its launch. The platform is open to anyone and does not censor content. It also has a lower commission structure than other platforms and offers better support for content creators.

"We're excited to launch Too Spicy and offer content creators a platform where they can express themselves freely," said Kirbee Quinn, CEO of Too Spicy. "We believe that everyone should have the right to create and share their content without fear of censorship. We also believe that content creators should be fairly compensated for their work, which is why we offer a low commission structure."
