About Old School Square

Old School Square is the heart of Downtown Delray Beach, located at the corner of Atlantic and Swinton Avenues. The beloved campus was built in the early 1900's as Delray Elementary and Delray High School. Those restored early 20th-century school buildings have now been re-adapted as the Cornell Art Museum, Crest Theatre and Fieldhouse (Vintage Gym). The campus also includes the Pavilion in the center grounds, which is an outdoor entertainment stage with a grass seating area, as well as the Old School Square Park just to the east. A City of Delray Beach parking garage is located adjacent to the park. The Old School Square campus is one of the largest cultural venues within the city of Delray Beach where there are showcases of fine art exhibits, large concerts, and theater performances along with an historic venue to hold private events such as weddings and special celebrations.
