

C. BLAINE HYATT AND LINDA LEE HYATT OFFERS A ONE OF A KIND READ

Authors C. Blaine Hyatt and Linda Lee Hyatt encourages readers to find meaning in the mundane in their book [Power of Discovery](#)

LOS ANGELES, CALIFORNIA, UNITED STATES, August 30, 2023

/EINPresswire.com/ -- In this fast-paced world, finding joy in the mundane has resurfaced for good. Instead of focusing on material things, people are learning to invest in experiences—going outside and actually doing things that make them feel. For C. Blaine Hyatt and Linda Lee Hyatt, this has always been the norm, and they share their wisdom in their book "[Power of Discovery](#)."

Power of Discovery

"Power of Discovery" is a collection of moving short stories that remind and motivate people to go towards change. The Hyatts made sure to put anecdotes from everyday life, which are all rooted in Christian principles.

Amazon customer, Jacob, says, "This book provides a great platform for personal growth and development, and will be an invaluable resource for anyone looking to make the most of their life."

"Power of Discovery" is a very fitting read for those who are working on personal evaluation and self-reflection; a good reminder that life is precious and is worth living.

Witnessing the changing world in the 20th century, C. Blaine Hyatt shares his life through writing. His works revolve around family, youth, adventure, creativity, and life wisdom. His wife, Linda Lee Hyatt, is with him every step of the way. They are both successful in life—both academically and generally speaking, having four children, eleven grandchildren, and two great grandsons.
