Plus, in collaboration with South Bay International, a recognized manufacturer of innovative sleep products, Orange Label developed a shareable presentation and collateral piece that highlights the company's overall

sustainability initiatives and goals for the future.

"Sustainability is not just about preserving the environment; it's intrinsically tied to our well-

being," comments Rochelle Reiter, President of Orange Label. "Through our work with Greenwell Farms and South Bay International, we're echoing the sentiment that prioritizing our planet is synonymous with prioritizing our health. It's a message we're passionate about, and one we intend to amplify in creative and strategic efforts for our clients."

Both collaborations highlight Orange Label's comprehensive approach to [marketing for wellness brands](#), ensuring clients not only achieve their marketing objectives but also contribute positively to global sustainability goals.
