

# Military AutoSource Kicks Off 6th Annual "Operation Homeward Bound"

*\$5,000 in Delta Gift Cards will be awarded for U.S. Service Members to travel home from Overseas*

WOODBURY, NEW YORK, UNITED STATES, August 30, 2023

/EINPresswire.com/ -- [Military AutoSource](#) (MAS), a global provider of US spec vehicles to overseas U.S. Military and DOD, has partnered with Ford Motor Company to launch [Operation Homeward Bound](#).

Delta Gift Cards will be awarded to three individual U.S. service members deployed or stationed overseas. Winners will be chosen based on the content of their essay submission. The grand prize recipient will receive \$2,500; second prize is \$1,500 and the third prize winner will get a \$1,000 gift card.

Amidst the challenges of deployment, training and long separation, the prospect of returning home often becomes a guiding light for service members abroad. Our goal in holding this contest each year is to help reunite hard-working military service members with family and friends.

Service members are asked to submit their entry by describing a life event, special occasion, milestone, or to share the circumstance surrounding their desire to get home.

Alternatively, a service member can nominate a fellow military member and explain why they would be deserving of the prize that undoubtedly offsets the high cost of overseas travel.

"Military AutoSource is proud to be able to provide this level of community support for our hard-working service members," explains David Goldring, Chairman and CEO of Overseas Military

The graphic features a man in a military uniform holding a young child. The text "OPERATION HOMeward BOUND" is written in a stylized font with a heart shape around the word "BOUND". Below it, the text "AIRFARE ON US when you need it the most." is displayed. The Ford and Lincoln logos are visible at the bottom left, and a red "Enter Now" button is at the bottom right.
