“

We have to get creative not only in how we address business issues but in how we present ideas so they are directly answering questions businesses have.”

Dr. Allen Steven Lycka

With a dash of humor and over 35 years of business success, Dr. Lycka provides an entertaining show where sick businesses have the "Doc Fix That!" Brushwood Media Network proudly presents this innovative show that promises to revolutionize the way people address business challenges. It is not just a show; it's a remedy for businesses in need.

"In today's marketplace, things are constantly in flux in ways no one could have predicted. We have to get creative not only in how we address those issues but in how we present ideas so they are directly answering questions business owners, small and large, have to remain competitive and stay profitable. We do that with a dash of humor, as with the stress people experience in keeping business moving. Mitch Cammidge and I want to give people a reason to chuckle. Laughter is also critical to personal and professional success. With over 35 years as an

entrepreneur, I bring my marketing prowess to the table to serve others and have a great time doing it," says Dr. Allen Steven Lycka.
