

Chartered Institute of Professional Certifications Launches Certified Sustainable Finance Manager (CSFM™) Program

Chartered Institute of Professional Certifications Debuts the Pioneering CSFM™ Program for Finance Professionals and Sustainability Advocates

SINGAPORE, September 26, 2023 /EINPresswire.com/ -- The [Chartered Institute of Professional Certifications](https://www.charteredcertifications.com) (www.charteredcertifications.com), a leading global provider of certified executive programs and conferences, is excited to introduce the Chartered Sustainable Finance Manager (CSFM™) program. Developed in collaboration with ESG experts, sustainability leaders, and finance professionals, this innovative program equips finance managers with the knowledge and skills to drive sustainability initiatives and integrate ESG factors into all areas of finance and business.

“ The CSFM™ program prepares financial leaders to spearhead their organization's sustainability efforts and contribute to a more sustainable financial system.”

Bok Yan Lo

The CSFM™ curriculum covers key topics including sustainable finance frameworks, ESG reporting, sustainable investing, green bonds, carbon markets, and integrating sustainability into financial modeling and analysis. Participants will gain practical insights into sustainability risks and opportunities, emerging regulations and disclosure requirements, stakeholder engagement strategies, and innovative sustainable finance instruments.

"Sustainability has become an imperative for finance teams looking to future-proof their organizations and drive long-term value creation," said Bok Yan Lo, Managing Director of the Chartered Institute of Professional Certifications. "The CSFM™ program prepares financial leaders to spearhead their organization's sustainability efforts and contribute to a more sustainable financial system."

Fully accredited by the Chartered Institute of Professional Certifications, the CSFM™ program is designed to offer flexibility, with various delivery options available, including [on-demand](#) and [live](#) in-person classes.

Upon completing the CSFM™ program, graduates will receive the Chartered Sustainable Finance Manager (CSFM™) designation, a credential that signals their mastery of sustainable finance concepts and ability to implement ESG initiatives. The program has also been independently certified and accredited by CPD, adhering to the highest standards of Continuing Professional Development principles.

For more information about the CSFM™ program and to register, please visit the following websites:
