

EdAssist by Bright Horizons Partners with NetCom Learning to provide educational assistance benefits to organizations

EdAssist by Bright Horizons has chosen NetCom Learning as the training partner to help organizations empower their workforce with enhanced knowledge and skills.

NEW YORK CITY, NEW YORK, UNITED STATES, August 31, 2023 /EINPresswire.com/ -- [NetCom Learning](#), a leading provider of IT training and certification programs, has entered into a dynamic partnership with the [EdAssist](#) program, a pioneering initiative by Bright Horizons aimed at providing organizations with educational assistance benefits at pre-negotiated discount rates. This collaboration is set to open new avenues for professional development and growth, offering employees a unique opportunity to enhance their skill set through NetCom Learning's esteemed courses.

EdAssist is a tuition reimbursement program that helps organizations support their employees' professional upskilling and development. With the EdAssist program, NetCom Learning provides access to over 4000 IT & Business training options from well-known providers like Microsoft, AWS, Cisco, CompTIA, EC-Council, PMI, and others.

From round-the-clock support to a dedicated learning consultant, and the exclusive NetCom365 platform, individuals stand to gain a comprehensive and personalized learning experience like never before.

NetCom Learning CEO Russell Sarder commented, "We are delighted to join forces with EdAssist in their mission to foster the professional growth of employees seeking opportunities in the IT sector. The partnership between NetCom Learning and EdAssist seeks to equip employees with the essential skills and certifications required to excel in the dynamic and ever-evolving IT industry. Our aim is to provide financial support and seamless learning experience to employees."
