“

To have a new light shown on them with expanded notes and additional photography is special for me, and will be for all those that hold these albums in a special place in their hearts.”

Blackie Lawless

one of the most consistent and reliable forces in rock music - unstoppable and unassailable, like a heavy metal juggernaut sent back in time from along- distant galaxy. Frontman Blackie Lawless is undoubtedly one of rock's everlasting figures – someone's whose attitude and vision changed the musical landscape around him, in the process bearing fruit to some of the biggest anthems of their time.

W.A.S.P. frontman Blackie Lawless comments, "It's great to see this collection of records be re-released with this detail.

For the original recordings to have a new light shown on them with expanded notes and additional photography is special for me, and will be for all those that hold these albums in a special place in their hearts and times in their lives."

Their first five studio albums (W.A.S.P., The Last Command, Inside the Electric Circus, The Headless Children & TheCrimson Idol) contributed enough on their own for W.A.S.P. to be considered one of the greatest rock bands of all-time. Those LPs are all presented in this set, mastered half-speed at Air Studios, London for a superior, sharper, more direct and engaging sound.

Packaged within a deluxe red leatherette effect double slipcase, 'The 7 Savage: 1984-1992' is completed on vinyl with two more LPs: 1987's Live... in the Raw and new compilation Bonus Tracks & B-Sides featuring the controversial breakthrough anthem 'Animal (F**k Like a Beast)'.

Compiled with the full cooperation of Blackie Lawless, the box set also includes a 60-page book with exclusive and rare pictures from legendary metal photographers (including Ross Halfin, Tony Mottram, David Plastik and Paul Natkin), along with extensive liner notes from Amit Sharma (Kerrang!, Planet Rock). Also included is an exclusive Blackie Lawless poster, plus an individually numbered circular saw shaped certificate.
