

Plannerly and DIMENSION PLUS Partnership: A Bold Step in Revolutionising BIM Management in India

Plannerly and DIMENSION PLUS unite to revolutionize BIM management, providing innovative solutions for India's AEC industry.

MUMBAI, INDIA, September 4, 2023 /EINPresswire.com/ -- A new chapter in [Building Information Modeling \(BIM\)](#) innovation unfolds as Plannerly and [DIMENSION PLUS](#) join forces to introduce progressive [BIM management solutions](#) to the Indian AEC landscape.

The impact of BIM technology on architecture, engineering, and construction cannot be overstated. This collaboration leverages Plannerly's global BIM management expertise and DIMENSION PLUS's profound understanding of India's AEC community, promising to reshape the future of BIM Projects.

Plannerly's advanced BIM platform provides a central hub for seamless collaboration, meticulous data management, and adherence to global BIM standards. Partnering with DIMENSION PLUS, a pioneering force in India, ensures that these solutions are not just advanced, but also tailored to the unique needs of the Indian construction ecosystem.

"We're excited to extend our reach with DIMENSION PLUS in India," expressed Clive Jordan, CEO of Plannerly. "Together, we'll simplify BIM management, drive efficiency, and accelerate the adoption of global standards, contributing to the growth of the whole Architecture & Construction Community."

Shivang Rajvir, Founder of DIMENSION PLUS, echoed this sentiment, highlighting the synergy of
