

# Biohackers Magazine Appoints Esteemed Dr. Maryam Matar as Guest Chief Editor for Its Pioneering Women's Edition

*Biohackers Magazine Deploys 1st Women's Edition and Appoints Esteemed Guest Chief Editor, Dr. Maryam Matar*

MIAMI, FL, USA, September 1, 2023 /EINPresswire.com/ -- Biohackers Magazine, the premier voice of the [biohacking](#) realm, is elated to announce the appointment of the eminent Dr. [Maryam Matar](#), Founder and Chairperson of UAE Genetic Diseases Association, as the Guest Chief Editor for its distinguished edition, "Women in Biohacking: The [Longevity Revolution](#)."

Recognized for her visionary endeavors, notably her efforts in decreasing the incidence of common genetic disorders in the UAE, Dr. Matar's association with this edition signals an epochal juncture in the world of health and biohacking. Dr. Matar's stellar reputation, coupled with her devotion to genetic research and community health awareness, makes her an unparalleled choice for this special edition. This appointment also signals Dr. Matar's invaluable influence in broadening the magazine's content spectrum celebrating female thought leadership in life span longevity.

Prominent Features of the Special Women's Edition encompass:

1. **Renowned Contributions:** Dr. Matar, in her unparalleled capacity, will bring together leading women from the medical, genetic, and biohacking community to enrich the edition with profound insights and pioneering findings.
2. **A Personal Message from Dr. Matar:** Readers will be privy to Dr. Matar's thoughts on the symbiotic relationship between women's contributions and the progression of biohacking and health advancement.
3. **Cover Tribute:** Guest contributors for this edition stand a chance to grace the magazine's cover, reflecting their indelible imprint on the biohacking world.

The Special Women's Edition aspires to be a beacon, guiding and motivating countless women to delve deep into the transformative domain of biohacking and the Longevity Revolution.”

*Jean Fallacara, CEO*

4. Exclusive UAE Distribution: Given the magazine's immense resonance with the UAE's health and biohacking landscape, Dr. Matar will oversee its exclusive distribution in the region.

“With Dr. Matar at its helm, the Special Women's Edition is poised to be more than a publication — it aspires to be a beacon, guiding and motivating countless women to delve deep into the transformative domain of biohacking and the Longevity Revolution.” exclaims Jean Fallacara, Founder & CEO, Biohacker Magazine.

ABOUT BIOHACKERS MAGAZINE: Pioneering the discourse
