Sunshine's writing is simply exquisite, transporting the reader to the glamorous streets of Paris and the back alleys of Moscow. The love story at the heart of the novel is one of the most captivating I have ever read. "Paris Nights Escape from Moscow" is inspired by actual events. It is a story of unrelenting suspense and conquering love. The story moves from Leningrad to Moscow and the Russian

republics of Georgia and Ukraine. Trapped between two opposing factions of the Communist Party and hounded by the KGB, Vitali Solznetz knows, that in Russia, it is important not to make mistakes. His life depends on it. Winston Churchill described Russia as “a riddle wrapped in a mystery inside an enigma” - and so is “Paris Nights Escape from Moscow”.
