-- Few things are more special than fresh and delicious sugar cookies!

Personalizing hand-decorated sugar cookies with a brand, a logo or an image makes it even more special.

Now it is also easy and efficient, because [Cookies by Shar](#) offers custom logo & image cookies, exclusively for businesses.

Shar Melwani is a dynamic entrepreneur and a successful commercial baker in Davie, Florida. Her bakery has supplied popular, seasonal, and hand-decorated sugar cookies to several major retail and corporate outlets for more than 14 years.

Cookies by Shar is expanding its popular line of delicious (and appealing) hand-decorated sugar cookies line. It exclusively offers businesses the unique specialty of high-quality cookies, customized with an image or the business' logo.

A logo is important in business because the business' brand is important. The logo is the first thing that customers notice, and the first thing they will remember.

There is a secret to why Cookies by Shar is a solid success story. Product quality and freshness is first and foremost.

With a staff of 22, Cookies by Shar continues to earn an exceptional reputation with an uncompromised focus on taste and good ingredients. Real Butter., Unrefined sugar, Whole eggs. Real vanilla, and un-bromated flour. "Quality is everything," Melwani emphasizes. "We don't skimp on the ingredients! I have been asked multiple times to change our recipe to reduce costs and let the cookies stay on shelves for months, but we will not compromise. Our reputation and

market rely on the quality and freshness of our cookies.”

An innovative packaging idea has also increased the shelf life of the Sugar cookies by having a double moisture-free barrier and this not only protects the integrity of the product but also the cookie is less prone to damage. With this double-packaged innovation, the Sugar cookie has a shelf life of several months.

The tasty and attractive customized cookies are hand decorated and only baked to specific orders. There is no storefront. All cookies are individually shrink-wrapped, packaged and shipped in a cello bag with a gold clip. The pricing is based on size, volume and design detail.
