Sustainable athleisure is a look that is stylish and appealing enough to wear for other occasions

while remaining comfortable and appropriate for sports. It is made of bio-based and recyclable materials. Athleisure is a type of hybrid clothing that is typically worn during athletic activities as well as in other settings such as the workplace, school, or other casual or social occasions. Sustainable athleisure is made up of natural, renewable, recycled, biodegradable, and low-impact textiles to provide consumers with high-performance activewear while protecting both people and the planet.
