

Dave's Hot Chicken Unveils Outdoor Dining in Riyadh and Relaunches Hot Box Featuring World's Hottest Pepper

RIYADH, SAUDI ARABIA, September 5, 2023

[/EINPresswire.com/](https://EINPresswire.com/) -- Dave's Hot Chicken, rapper Drake's favourite burger spot, has revealed its new outdoor seating area at its Tahliah branch in Riyadh is now open. The fried chicken franchise is also relaunching its popular "Hot Box" meaning now even as the weather cools, Dave's outdoor diners can retain the heat of summer.

With comfortable seating for gatherings and a welcoming ambiance, the outdoor seating area at Tahliah can accommodate up to 16 guests, making it perfect for both intimate meals and lively get-togethers. Meanwhile, the Hot Box gives customers the chance to choose from either 10 jumbo-size sliders or 10 jumbo-size tenders, both of which are served with fries. With seven spice levels ranging from No Spice through Lite Mild, Mild, Medium, Hot, Extra Hot and to Reaper[®], there is something for all chicken-lovers. Its famous Reaper[®] spice uses Carolina Reaper Pepper, the hottest pepper in the world.

The Tahliah branch of Dave's Hot Chicken – a Hollywood-founded franchise that counts Drake and Samuel L Jackson among its investors – is open from 11am to 2am on weekdays and until 3am on Thursdays and Fridays. With the winter season fast approaching, the chance to combine the sizzling delights of Dave's with some al fresco dining is sure to ignite popularity in the Kingdom.
