

Hydro-Tech Irrigation, Co. Announces the Acquisition of BG Outdoor Services

Sterling, VA-based Hydro-Tech Irrigation, Co. acquired the irrigation services division of BG Outdoor Services, furthering their industry leadership position.

STERLING, VA, US, September 6, 2023 /EINPresswire.com/ -- Hydro-Tech Irrigation, Co. is pleased to announce that it has completed the acquisition of the Irrigation Services Division of BG

Outdoor Services, LLC (formerly Bio Green Outdoor Services), effective August 1, 2023. This acquisition furthers Hydro-Tech's position as one of the area's largest irrigation services companies, augmented by the folding of BG Outdoor Services' professional management, installation and customer service teams into the organization.

“

This combination of award-winning organizations will offer a new scale of service for both companies' customers and foster our continued expansion into new markets in the DC Metro region.”

*Steve Battiston, President,
Hydro-Tech Irrigation, Co.*

The company will operate as Hydro-Tech Irrigation, Co., focusing on delivering the highest level of customer service and a full range of [residential and commercial irrigation, landscape lighting and drainage](#) installation and maintenance services to customers throughout Northern Virginia, Maryland and the District of Columbia.

Our commitment to excellence extends to our investment in our people, systems and communications, including our online service scheduling portal, state-of-the-art field service management software and our fully staffed phone support team who dispatch our technicians to solve

customer issues on a timely basis. We're proud of the dedication and work ethic of our Irrigation Association-certified, experienced technical teams who provide new system installations, repairs, and annual service plans (spring turn-ons, summer assessments, winterization services and backflow testing).

“We are excited to [welcome BG Outdoor Services to the Hydro-Tech family](#),” said Steve Battiston,
