

Quick Cash Offer Option from Motobyto® Empowers Used Car Sellers Like Never Before

Over 45 Buying Centers Located in Philadelphia, Pittsburgh, Chicago, Upstate New York & Suburban Washington, D.C. with More on the Way

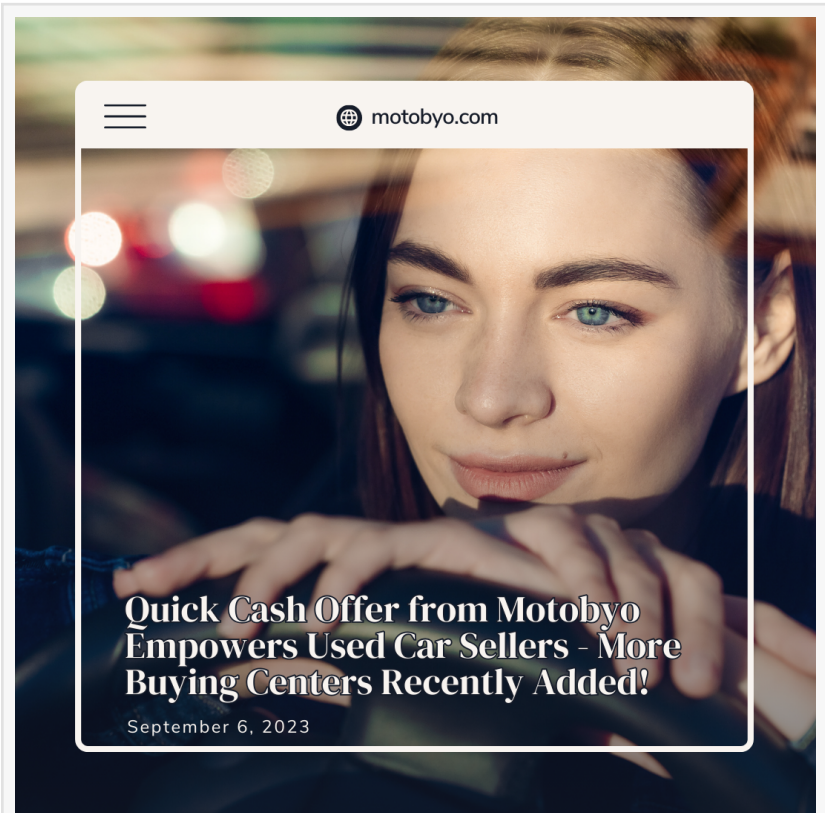

PHILADELPHIA, PA, UNITED STATES, September 6, 2023 /EINPresswire.com/

-- When time is of the essence, when money is short, many everyday consumers look to sell their used car as quickly and as easily as possible. Unfortunately, most of the established auto industry practices make it harder for everyday consumers to make a quick sale of their used car – that’s one of the key problems that [Motobyto](#)®, the automotive marketplace powerhouse designed for everyday consumers, was created to solve.

The Motobyto Quick Cash Offer option makes selling a used car easy. Sellers receive an instant cash offer immediately, online, bypassing middlemen when Motobyto connects them directly to a Motobyto Partner Buying Center in their area, where they can deliver the vehicle and pick up their check.

“Our network of Motobyto Partner Buying Centers back up the Quick Cash Offer and are the safety net for all

Designed by experienced tech and auto industry professionals, the Motobyto online platform enables buyers and sellers to complete a private transaction in a secure and transparent manner.

and they have failed to sell it privately. They say, 'I'm done with this process let me just cash out,'" said George Lekas, Founder and Chief Operating Officer of Motobyto.

Motobyto is currently partners with over 45 dealerships that serve as Motobyto Partner Buying Centers in the Greater Philadelphia region as well as Lancaster, Harrisburg, Pittsburgh, State College, Reading, Scranton, Allentown and Pottstown. Additional Motobyto Partner Buying Centers are located throughout Delaware and Southern New Jersey, as well as suburban Washington, D.C.; Birmingham, Alabama; Pittsford, New York; and Chicago, Illinois.

Additional buying centers will be added later this year, as Motobyto continues national expansion beyond its home Philadelphia market.

About Motobyto:

Motobyto, the tech-driven used car marketplace designed for everyday consumers, not dealers, enables private party individuals to buy and sell vehicles, without the typical inefficiencies associated with the used car industry. Empowering both sides of the transaction, sellers get top dollar value without leaving money on the table, while buyers have access to services typically only provided by a dealer. Providing a
