

# Global Adventurer Shares Unorthodox Journey of Faith

*William Owens grabbed a GoPro and a bicycle and pedaled across Singapore, Indonesia and Vietnam on a faith-based journey for the modern era.*

HOUSTON, TEXAS, UNITED STATES, September 5, 2023 /EINPresswire.com/ -- Adventurer [William Owens](#) doesn't just talk about a "faith journey" in theory. He demonstrates it by traveling the world by bike, train, bus and even motorcycle to engage in conversations with people from all walks of life about what it means to discover God's will — and then fulfill it.

Owens spent five years crisscrossing the United States in a motorhome; then biked 1,000 miles from Nevada to Texas. Now, he's pedaling through Southeast Asia, from Singapore to Indonesia and Vietnam, learning of their culture, and connecting with the people God puts in his path. What happens next is a kaleidoscope of genuine conversations about the journey each person is taking. Owens then weaves his faith into those conversations in a way that is both organic and relevant.

"Regardless of where you are in life financially, emotionally or spiritually, you can start taking your [journey by faith](#) — literally," Owens said. "While God's will for your life reveals itself moment by moment, it starts right where you are."

Through his book, *Journey By Faith*, and the accompanying mobile app (available free for iOS and Android devices), audiences get an intimate look at a faith-based journey for the modern era during which Owens lives out his faith by example.

Hoping to awaken "the consciousness of every soul who longs for the deepest place of satisfaction and fulfillment," Owens carefully explains in his book that discovering God's will and fulfilling it by faith alone is the most mysterious yet joyous journey a person can take. And while the complete realization of the purpose God created for each individual is never fully known in this life, Owens reveals, there are scriptures that beseech believers to seek out the specific purpose God created for them — now.

Discovering God's will and fulfilling it by faith alone is carefully explained in this book.

Regardless of where you are in life financially, emotionally or spiritually, you can start taking your journey by faith — literally.”

*William Owens*

Owens, through his journey by faith, asserts that the key to discovering this purpose is to follow after Christ, which he says by no means refers to religious work, but rather, “an intimate, deliberate moment of following Him where He leads by His spirit, knowing that He will complete the work that He has begun in us.”
