

Beacon Bid Introduces Contract Manager Module in Latest 1.7 Platform Update

AUSTIN, TEXAS, UNITED STATES, September 6, 2023 /EINPresswire.com/ -- Beacon Bid, a leading e-procurement technology and data/research service provider, is excited to unveil the Contract Manager module in its latest 1.7 platform update. As a significant enhancement to the Premium EPRO Suite, the Contract Manager module elevates Beacon Bid's robust solicitation and supplier management system, delivering comprehensive contract administration tools tailored for agencies.

With the Contract Manager module, agencies gain powerful tools to manage both internal and external contract documents, resulting in streamlined organization, effective reminders, and meticulous record-keeping:

* Intuitive Interface: Seamlessly convert solicitations into awards and contracts, specifying terms, options, and more.

“Designed in collaboration with our agency partners, it (Contract Manager Module) mirrors Beacon Bid's hallmark features of ease-of-use, snappy speed, efficiency, and reliability.”

Bill Culhane, COO of GovOptics

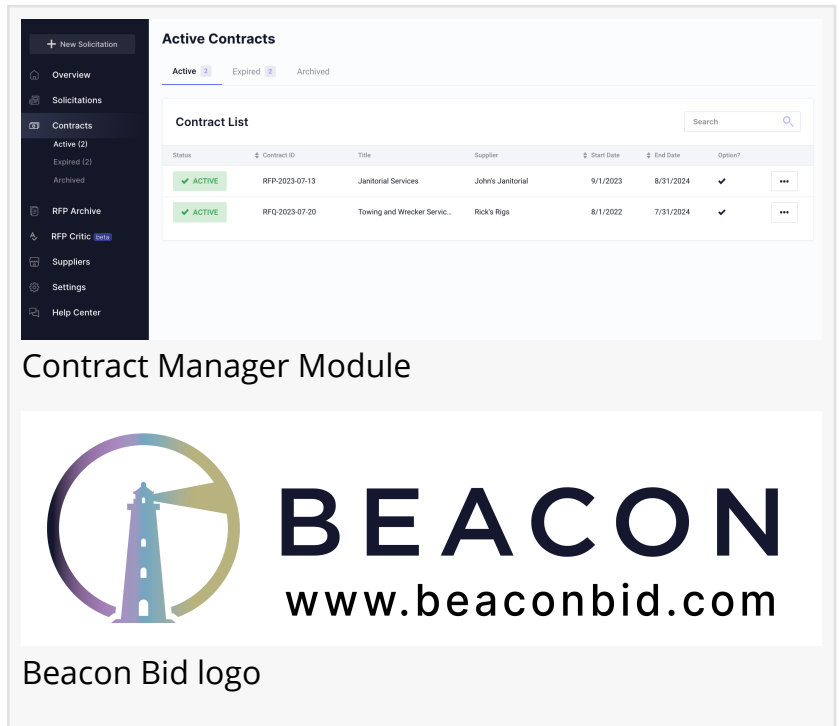

* Secure Cloud Storage: Protect your agency's contracts with accessible yet secure storage solutions.

* Compliance Tracking: Effortlessly manage COIs, updates, and records, maintaining optimal compliance.

* Smart Reminders: Receive timely notifications for expiring contracts requiring extension or re-bid.

* User-Centric Design: Enjoy convenience and control, from reminders to renewals.
